Specialized Checklist
First Class (41c) and 41¢ Flag Issue 2007

Dear Friend Collector,

The USA Specialized Checklist of the First Class (41c) and 41¢ Flag Issue 2007 will give you the opportunity to make an in-depth study for your collection and gives you an orderly need-list.

I made this checklist for my own collection. I used the Scott Specialized Catalogue of United States Stamps & Covers, open (internet) sources and own research. The list is absolutely not complete and may have some minor errors or mistakes. I hope you will help me to share your knowledge to improve the checklist.

Happy Collecting,

Hans van Gils

Note:

All Die Cut varieties are possible to exist on the listed AVR Coils. They will all depend on their first being a die-cut error and then that error being found. The errors you can mark □ are known or it can be assumed with certainty that they exist. Others will be added when found to exist. Please let me know when you find a new Die Cut variety.
