POSTAL MARKINGS NEW YORK TOWN & BOROUGH POSTAL STATIONS

Part I – Introduction Types of Postal Markings Used in NYC

Dear Friend Collector,

This USA Specialized Checklist of Postal Markings of New York Town & Boroughs Stations will give you the opportunity to set up your collection and gives you an orderly need-list.

You will find in part one an overview of most all types Postal Markings used in New York Town & Boroughs Postal Stations. Part II up to Part VI you will find for each borough the postal stations in alphabetical order. I just started to collect Queens and Staten Island so you will find not many Stations present on the list. Part VII and VIII will follow later this year.

As appendices you will find for some Postal Markings a separate checklist per type.

I made these checklists for my own collection. I used the covers and stamps I found so far. The list is absolutely not complete and may have some errors or mistakes. I hope you will help me to share your finds and knowledge to improve the checklist.

Happy Collecting,
