POSTAL MARKINGS NEW YORK TOWN & BOROUGHS POSTAL STATIONS

Part III – Brooklyn

The first settlement in the area by Dutch farmers in 1636 was soon followed by other settlements in Flatlands, Wallabout, the Ferry, Gravesend, and, in 1645, Breuckelen—also spelled Breucklyn, Breuckland, Brucklyn, Broucklyn, Brookland, and Brookline; the present spelling became fixed about the close of the 18th century. Later settlements included New Utrecht (1650), Flatbush (1651), Bushwick, and Williamsburg (1660).
