Common Buckeye Butterfly 2006

Stamp Designed by Carl T. Herrman

**Specialized Checklist**  
Common Buckeye Butterfly Issues 2006

Dear Friend Collector,

The USA Specialized Checklist of the Common Buckeye Butterfly Issues 2006 will give you the opportunity to make an in-depth study for your collection and gives you an orderly need-list.

I made this checklist for my own collection. I used the Scott Specialized Catalogue of United States Stamps & Covers, open (internet) sources and own research. The list is absolutely not complete and may have some minor errors or mistakes. I hope you will help me to share your knowledge to improve the checklist.

Happy Collecting,

**Note:**  
Keep it simple and use the same designation for the die cut varieties as the vertical AVR coils, by turning the stamp a quarter to the left.

This approach is not according to the publications of the PNC3, but I am convinced that this way is less confusion and more in tune with the other AVR coils.
