USA Specialized Checklist

Tagging varieties U.S. Postage Stamps

Dear Friend Collector,

The USA Specialized Checklist of USA Tagged Stamps will give you the opportunity to make an in-depth study for your collection and gives you an orderly need-list.

In this list only formal issued Tagging varieties from stamps with the same face design. Tagging omitted (Errors) not listed.

I made this checklist for my own collection. I used the Scott Specialized Catalogue of United States Stamps & Covers, open (internet) sources and own research. The list is absolutely not complete and may have some minor errors or mistakes. I hope you will help me to share your knowledge to improve the checklist.

Happy Collecting,
